

Istanbul Water & Wastewater Treatment Technologies Exhibition & Conference

1 - 3 September 2016 | Istanbul Expo Center

ISTANBUL WATER EXPO

Interested in EUR 33 bn water and wastewater market in Turkey?

IWE Istanbul Water Expo will be held on 1 - 3 September 2016

Gathering the water and wastewater industry under one roof and being the first and only trade event in Turkey, IWE Istanbul Water Expo aims to bring together comprehensive range of products and latest technologies of 150 participating companies and 350 local and international brands with 5,000 professional visitors at IFM Istanbul Expo Center.

Why exhibit at IWE Istanbul Water Expo?

- Availability of EU projects, consulting and technical support
- Incentives to encourage Private Public Partnership and Private Sector Participation in environmental investments
- Availability of EU, Public and Private funding for the new and rehabilitation projects
- Opportunity to expand into surrounding countries (Eastern Europe, the Balkans, the CIS, the Middle East, Central Asia and Africa) through Turkey as a hub

Investment needs of the sector is 33.9 billion Euros until 2023

Turkey is one of the largest markets of the world for water and wastewater solutions according to EU reports. To conform Turkey's EU environmental legislation in the framework of EU conformity laws, an important level of investment is needed until 2023.

- Turkey's environmental investments will surpass EUR 58,5 billion until 2023
- The Investment requirement in the water and wastewater sector is EUR 33,9 billion until 2023

80% of this investment is expected to be constituted by public and 20% by private sector.
